

Join Springboard at Houston Elementary for Fall 2018!

Springboard's extended day program offers:

Research-Based Programming: Activities are based on academic research regarding student learning - academic skills, social-emotional development, physical well-being and healthy choices.

Captivating Student Activities: Our programs deliver exciting, motivating and fun activities for students that extend their learning into the out-of-school-time environment.

High Quality Staff: Our programs are staffed with experienced teachers who are deeply committed to improving educational outcomes for children.

Close School Partnerships: Our programs are deeply embedded within our partner schools' community and are aligned to the needs and culture of each school.

Parent Engagement: We regularly connect with parents through multiple modes of communication.

Safe Environment: We ensure a safe and nurturing environment within our programs.
